

Supplier Quality Assurance Engineer

Location: Remote, UK

COMPANY OVERVIEW

BVI® is refocusing the future of vision. As one of the fastest-growing, diversified surgical ophthalmic businesses in the world, our purpose-built portfolio spans more than 115 countries. We've set our sights on touching the lives of millions of patients affected by conditions such as cataracts, refractive error, glaucoma, retinal disease, and dry eye.

Unburdened by legacy or bureaucracy, we have developed our strategy around a simple concept — taking pride in delivering innovative solutions for our physicians and patients, based on their needs. We trust and empower our associates to make decisions and solve problems because collaboration drives us. Valuing agility, simplicity, and transparency, we stay committed to listening to our customers, delivering for our patients, and keeping the future in focus.

PURPOSE

Lead supplier interactions on behalf of BVI to obtain information required for compliance with EUMDR and applicable regulatory requirements. Build positive relationships to enable effective management of suppliers. Liaise with production and supplier personnel to investigate and remediate any issues as they arise.
