

## Director of Accounting and Consolidations

Location: Boston area, MA, US or London area, UK

### COMPANY OVERVIEW

BVI® is refocusing the future of vision. As one of the fastest-growing, diversified surgical ophthalmic businesses in the world, our purpose-built portfolio spans more than 115 countries. We've set our sights on touching the lives of millions of patients affected by conditions such as cataracts, refractive error, glaucoma, retinal disease, and dry eye.

Unburdened by legacy or bureaucracy, we have developed our strategy around a simple concept — taking pride in delivering innovative solutions for our physicians and patients, based on their needs. We trust and empower our associates to make decisions and solve problems because collaboration drives us. Valuing agility, simplicity, and transparency, we stay committed to listening to our customers, delivering for our patients, and keeping the future in focus.

### PURPOSE

Position will manage the Companies global consolidation process. This is a critical role that provides an opportunity to build the Companies external consolidations reporting process including key global SOX 404 processes. The person we hire will play an integral part in Company's growth and success and will be a key member of our growing Finance team. This position will collaborate closely with cross functional departments including, group controllers, plant controllers, finance managers and FP&A as well as interface with outside technical advisors and auditors. Critical team member for global transformation of internal financial and accounting systems. This position reports to Company's Chief Accounting Officer.

## **RESPONSIBILITIES**

As a highly visible role, reporting to the Chief Accounting Officer, the Director of Accounting and Consolidations, including governance and controls, as well as internal and external reporting and technical accounting. We are looking for someone who has a proven ability to thrive successfully in a fast paced, multi-national, multi-task-oriented environment.

Responsibilities Include:

- Responsible for ensuring accurate and timely reporting of global consolidated financial information including statement of cash flows in compliance with US GAAP and local statutory accounting policies, and for all technical and complex accounting policies and guidelines.
- Lead the Companies global account reconciliation process
- Lead the implementation of new accounting and reporting standards, collaborating with the US Controller and UK/ European controller and Finance Manager to ensure practical implementation.
- Ensure data integrity in all financial reporting. Perform ongoing financial analysis to detect and resolve problems.
- Create and implement sound financial internal control policies to establish operational efficiency and monitor adherence to them. Communicate results of compliance activities to corporate process owners and leadership. Proactively audit processes, practices and documents to identify improvement opportunities.
- Collaborate with Accounting team to ensure proper accounting treatment of complex accounting concepts.
- Key contributor with the external audit process.
- Oversee compilation, reporting and analysis of ad-hoc accounting reports.
- Responsible for special projects initiated by senior management.

## **REQUIRED KNOWLEDGE, SKILLS AND ABILITIES**

- Excellent knowledge of US GAAP and SEC rules and regulations is required
- Proficient in Excel spreadsheets and formulas
- Strong Consolidations, operational accounting background with a thorough knowledge of US GAAP, STAT (local GAAP) and SOX 404

### MINIMUM REQUIRED EDUCATION AND EXPERIENCE

- Bachelor's degree or higher in Accounting
- Certified Public Accountant (CPA) with 10 plus years with heavy exposure to SEC and financial reporting

### PHYSICAL REQUIREMENTS

- The bullets listed below are examples of typical physical requirements for many jobs. Please remove or add requirements as necessary.
- Extensive use of keyboard requiring repetitive motion of fingers.
- Extensive use of telephone and face-to-face communication requiring accurate perception of speech.
- Regular sitting for extended periods of time.
- May require occasional travel.
